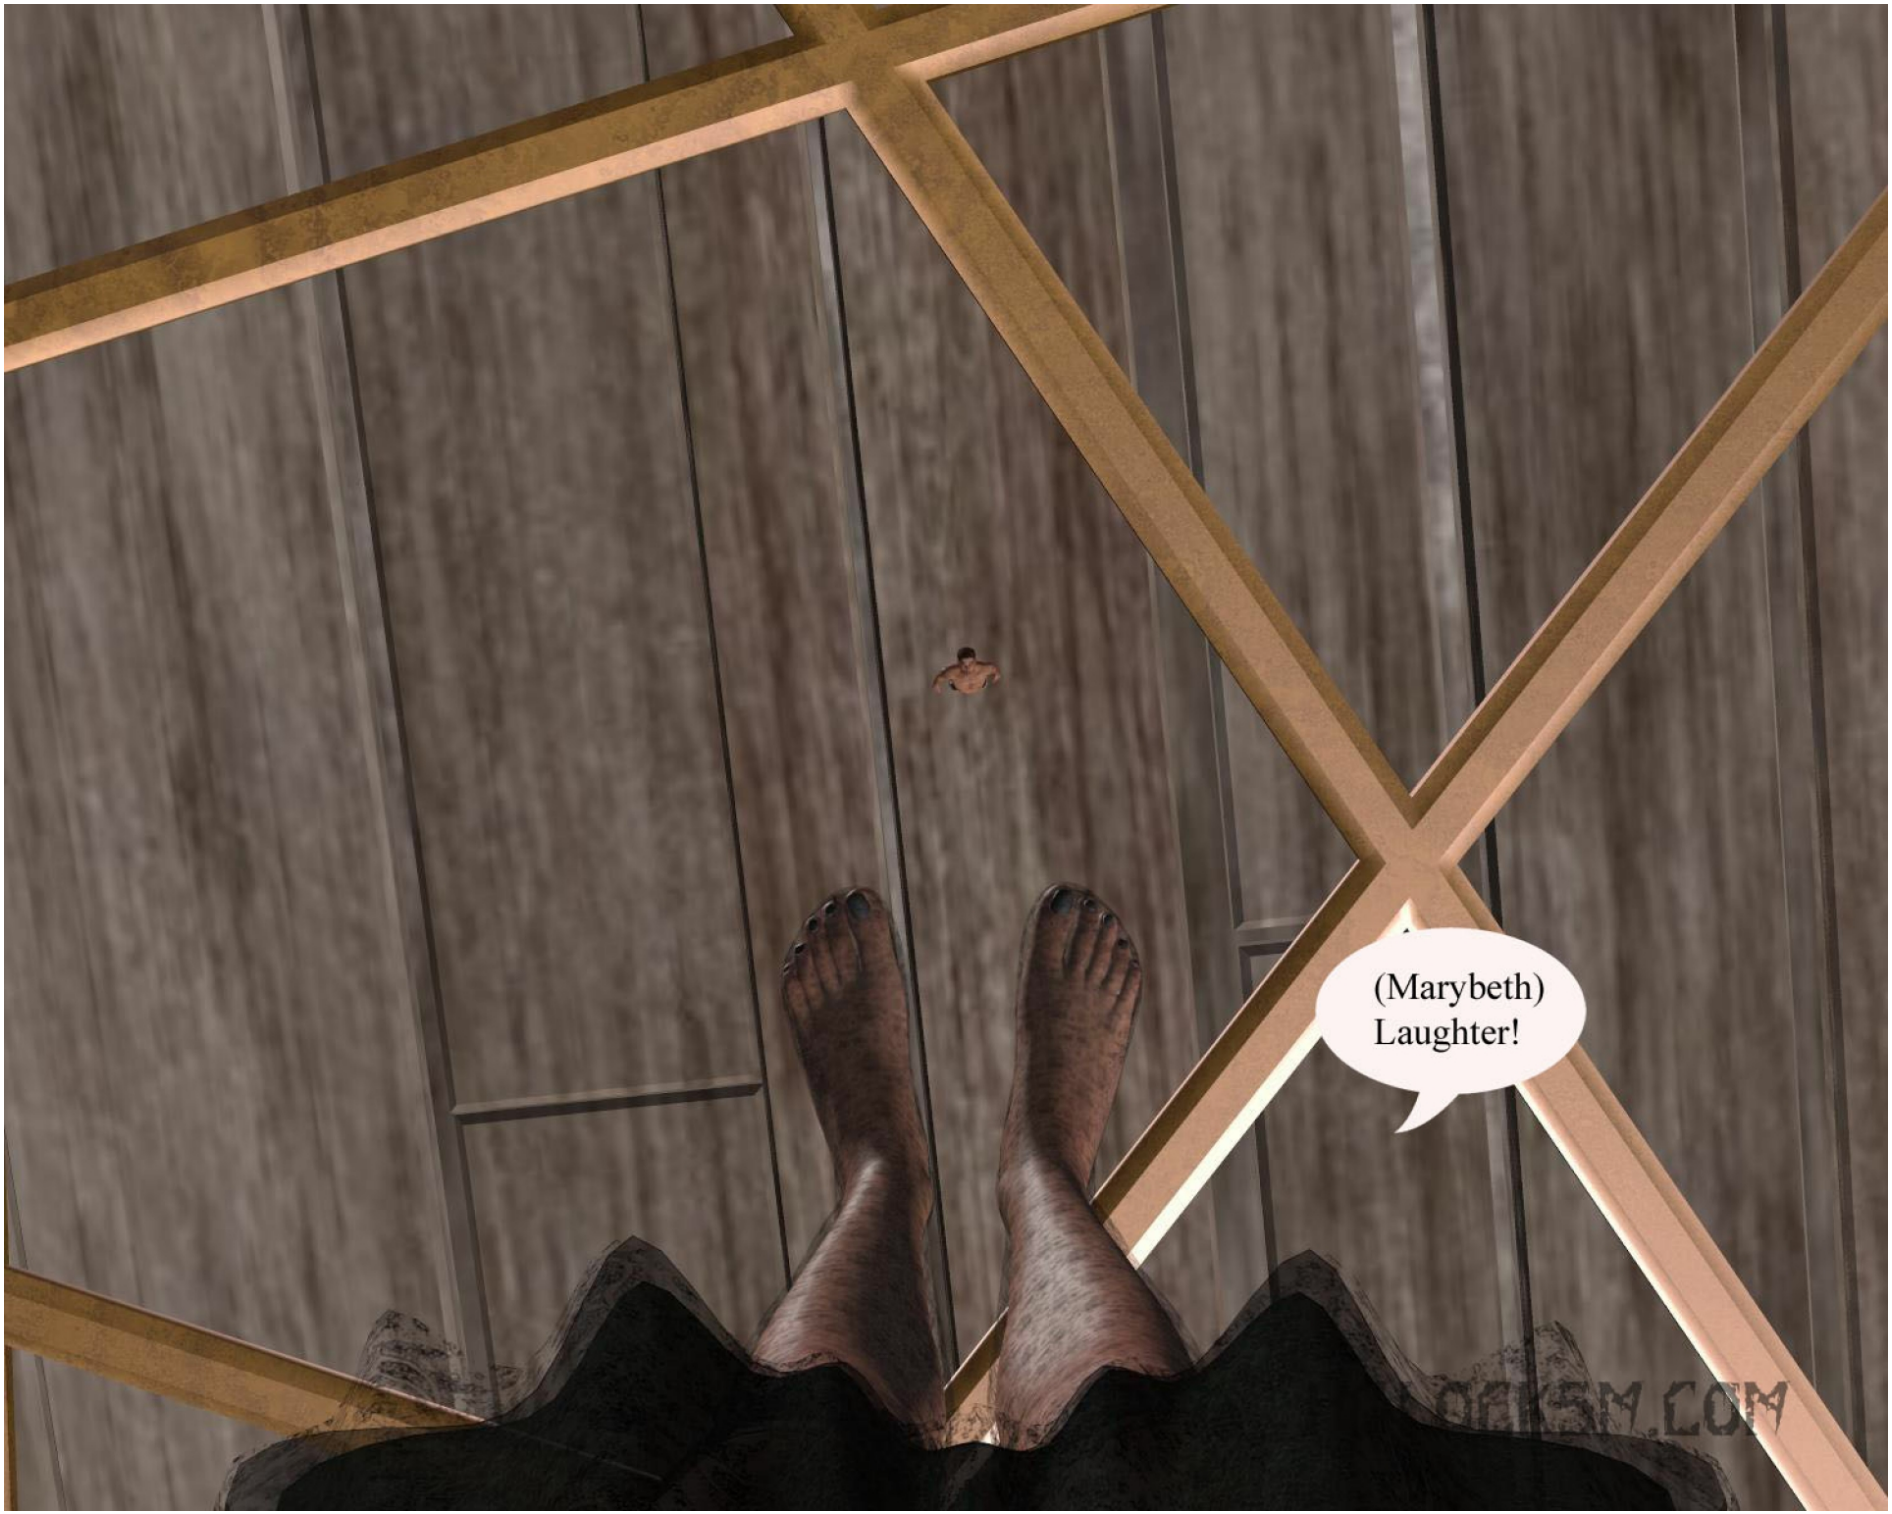
Mike had just gotten through brushing his teeth and was about to go to bed and then in the next instant he found himself in a giant room looking up at a giant woman. That giant woman was a young 19 year old witch named Marybeth. Marybeth had recently started practicing witchcraft and she was trying a teleportation and shrinking spell. She had seen Mike that day at the mall and she knew she wanted him.
HGLOCKSM.COM

Mike stared up at Marybeth in disbelief. He questioned what he was seeing. But he soon realized that the situation he was in was very real and then the terror set in. Mike recognized Marybeth as that goth girl he was always teasing at school.
HGLOCKSM.COM

What have you done to me?
HGLOCKSM.COM



(Marybeth)
Laughter!

You change me back to normal right now!
HGLOCKSM.COM

I bet you did not know I was a witch when you were teasing me now did you Mike. Well now you know. Are you scared little mouse man?

David was a bit of a nerd who wanted to impress a popular girl named Kendra in school whom he had a crush on. He told her he had a shrink ray and he wanted to show it to her. She invited him back to her place to show her. David showed her how it worked and he shrank a chair and re-enlarged it in front of her. Kendra asked how the shrink ray worked and David showed her how to use the controls. She talked him into letting her operate it. She set the controls on the shrink ray and at the last second she pointed it at David and pulled the trigger. The next thing he knew he was looking up at a now giantess Kendra.

Congratulations nerd! You finally made an invention that is useful.

Umm Kendra can you please reverse the ray now ok.
HGLOCKSM.COM

You are so naive little man. Did you think I was going to un shrink you?
HGLOCKSM.COM

HGLOCKSM.COM

But I don't understand.
Why would you want to keep me small. Come on stop fooling around Kendra.
HGLOCKSM.COM

You still don't get it do you? I am not interested in you. I only wanted to see your invention which is mine now by the way. Thanks for showing me how it works. Now I don't need you any more so if I were you little man I would start running.

What you still don't get it. I am going to step on you. Now is it clear!

HGLOCKSM.COM

I can't believe I am actually about to crush you like a bug. Damn this shrink ray is cool!

I can't believe this is happening to me!

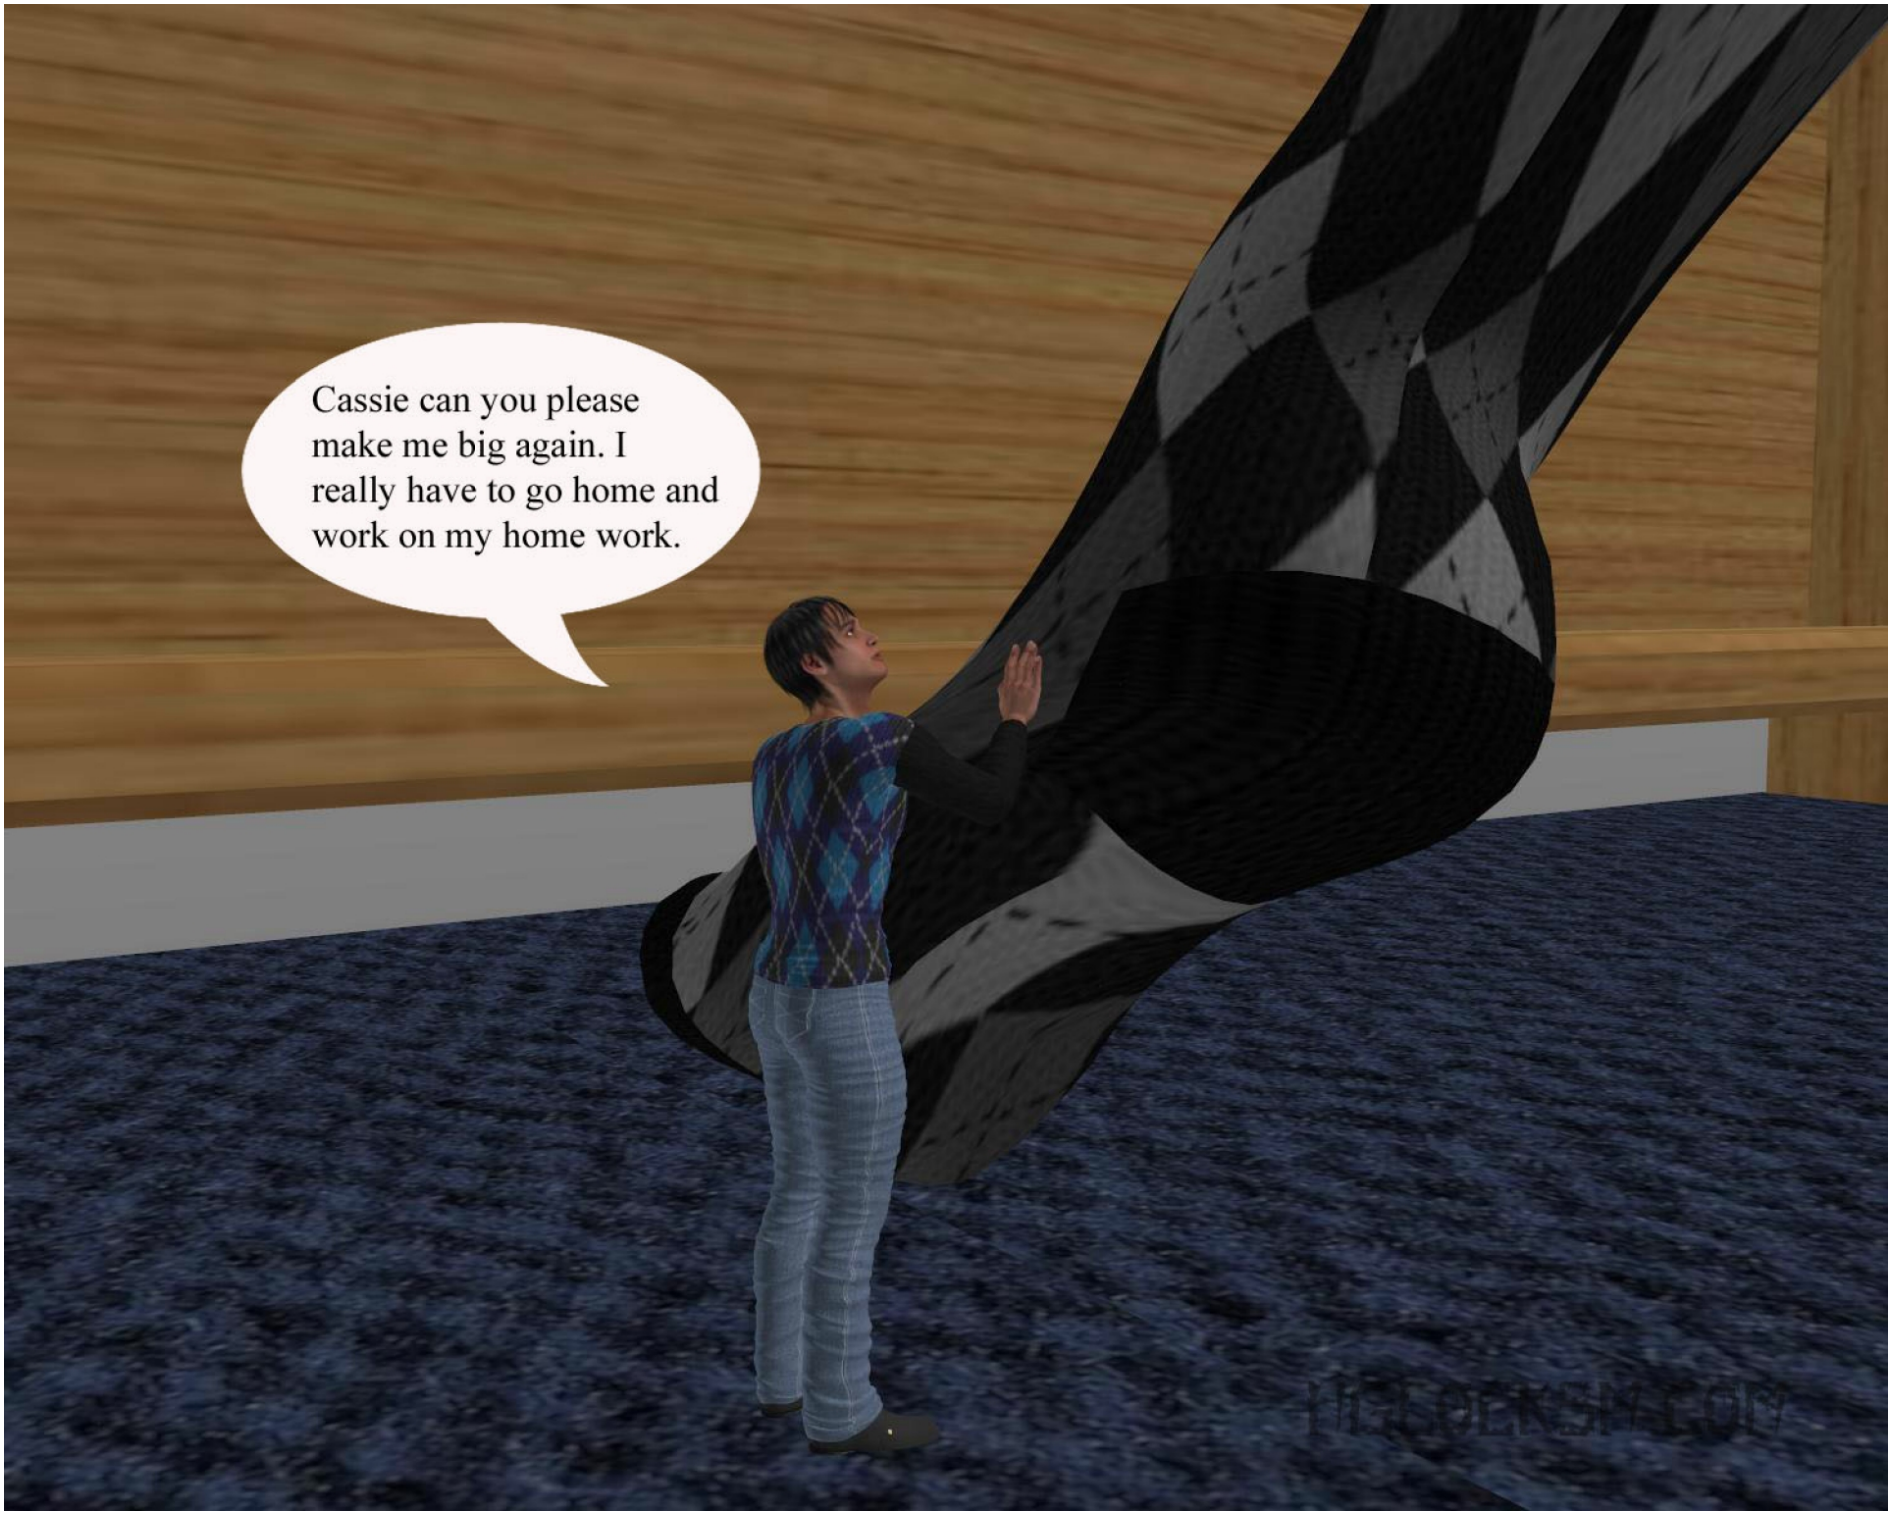
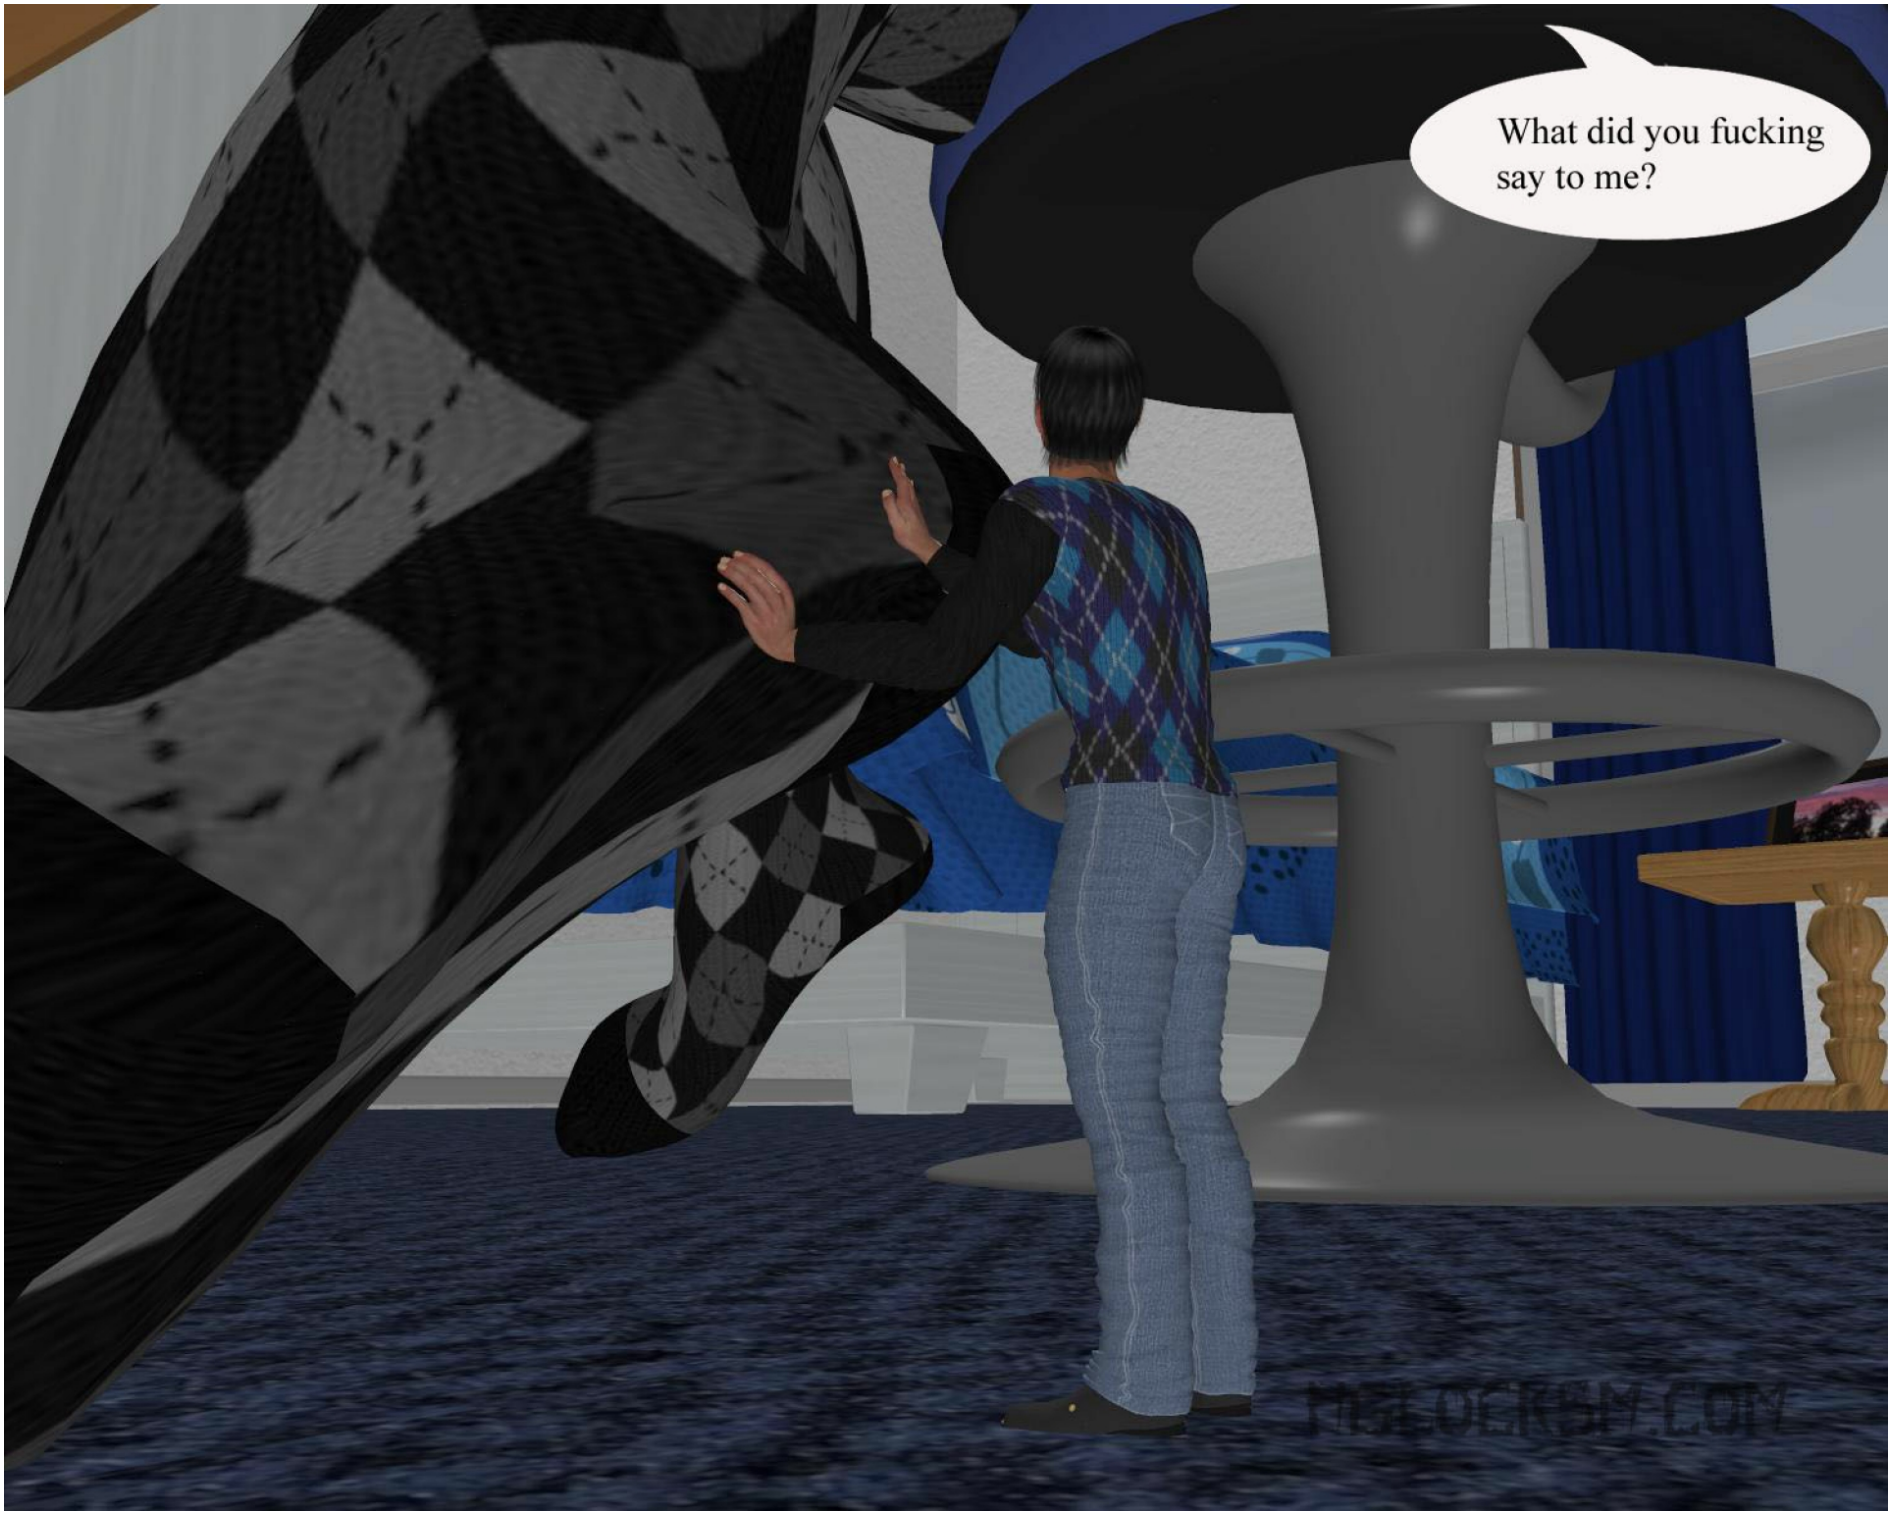
Cassie was a nerdy girl that no one took seriously at least not until she invented a shrink ray. She used it on her lab partner (Nick) in science class and took him back to her dorm room and made him rub her feet while she played on her I pad.



Cassie can you please make me big again. I really have to go home and work on my home work.

Shut up and rub harder worm! I can barely feel you. If you don't do a good job I will never make you big again.

Come on Cassie this is stupid. You're being a bitch!



What did you fucking say to me?

Nothing. I didn't say anything.

Good because it sounded like you called me a bitch and if you did that I would stomp you like a roach under my foot.

Brianna brought Greg home from the bar with her. She shrunk him once he got inside her home. She then proceeded to strip her clothes off and his too. She was so horny should could not contain herself. She just had to have Greg inside her pussy as fast as possible. She felt like exploding. Greg fought and struggled against Brianna's giant fingers but she easily forced him insider of her vagina feet first. He struggled to escape but this just stimulated Brianna and she soon found herself in the throws of multiple orgasms.

Oh God! Please let me out of here. Stop Please stop!
HGLOCKSM.COM

That's right keep struggling you tiny little fuck!

HELOCKSM.COM

You're not moving enough.
I guess I need to do things myself.
HGLOCKSM.COM

The vibrator in Brianna's hand was the size of a semi-truck to little Greg. Brianna pushed Greg deep inside her vagina with the vibrator. Greg was in pure hell, struggling to survive as the giantess masturbated.

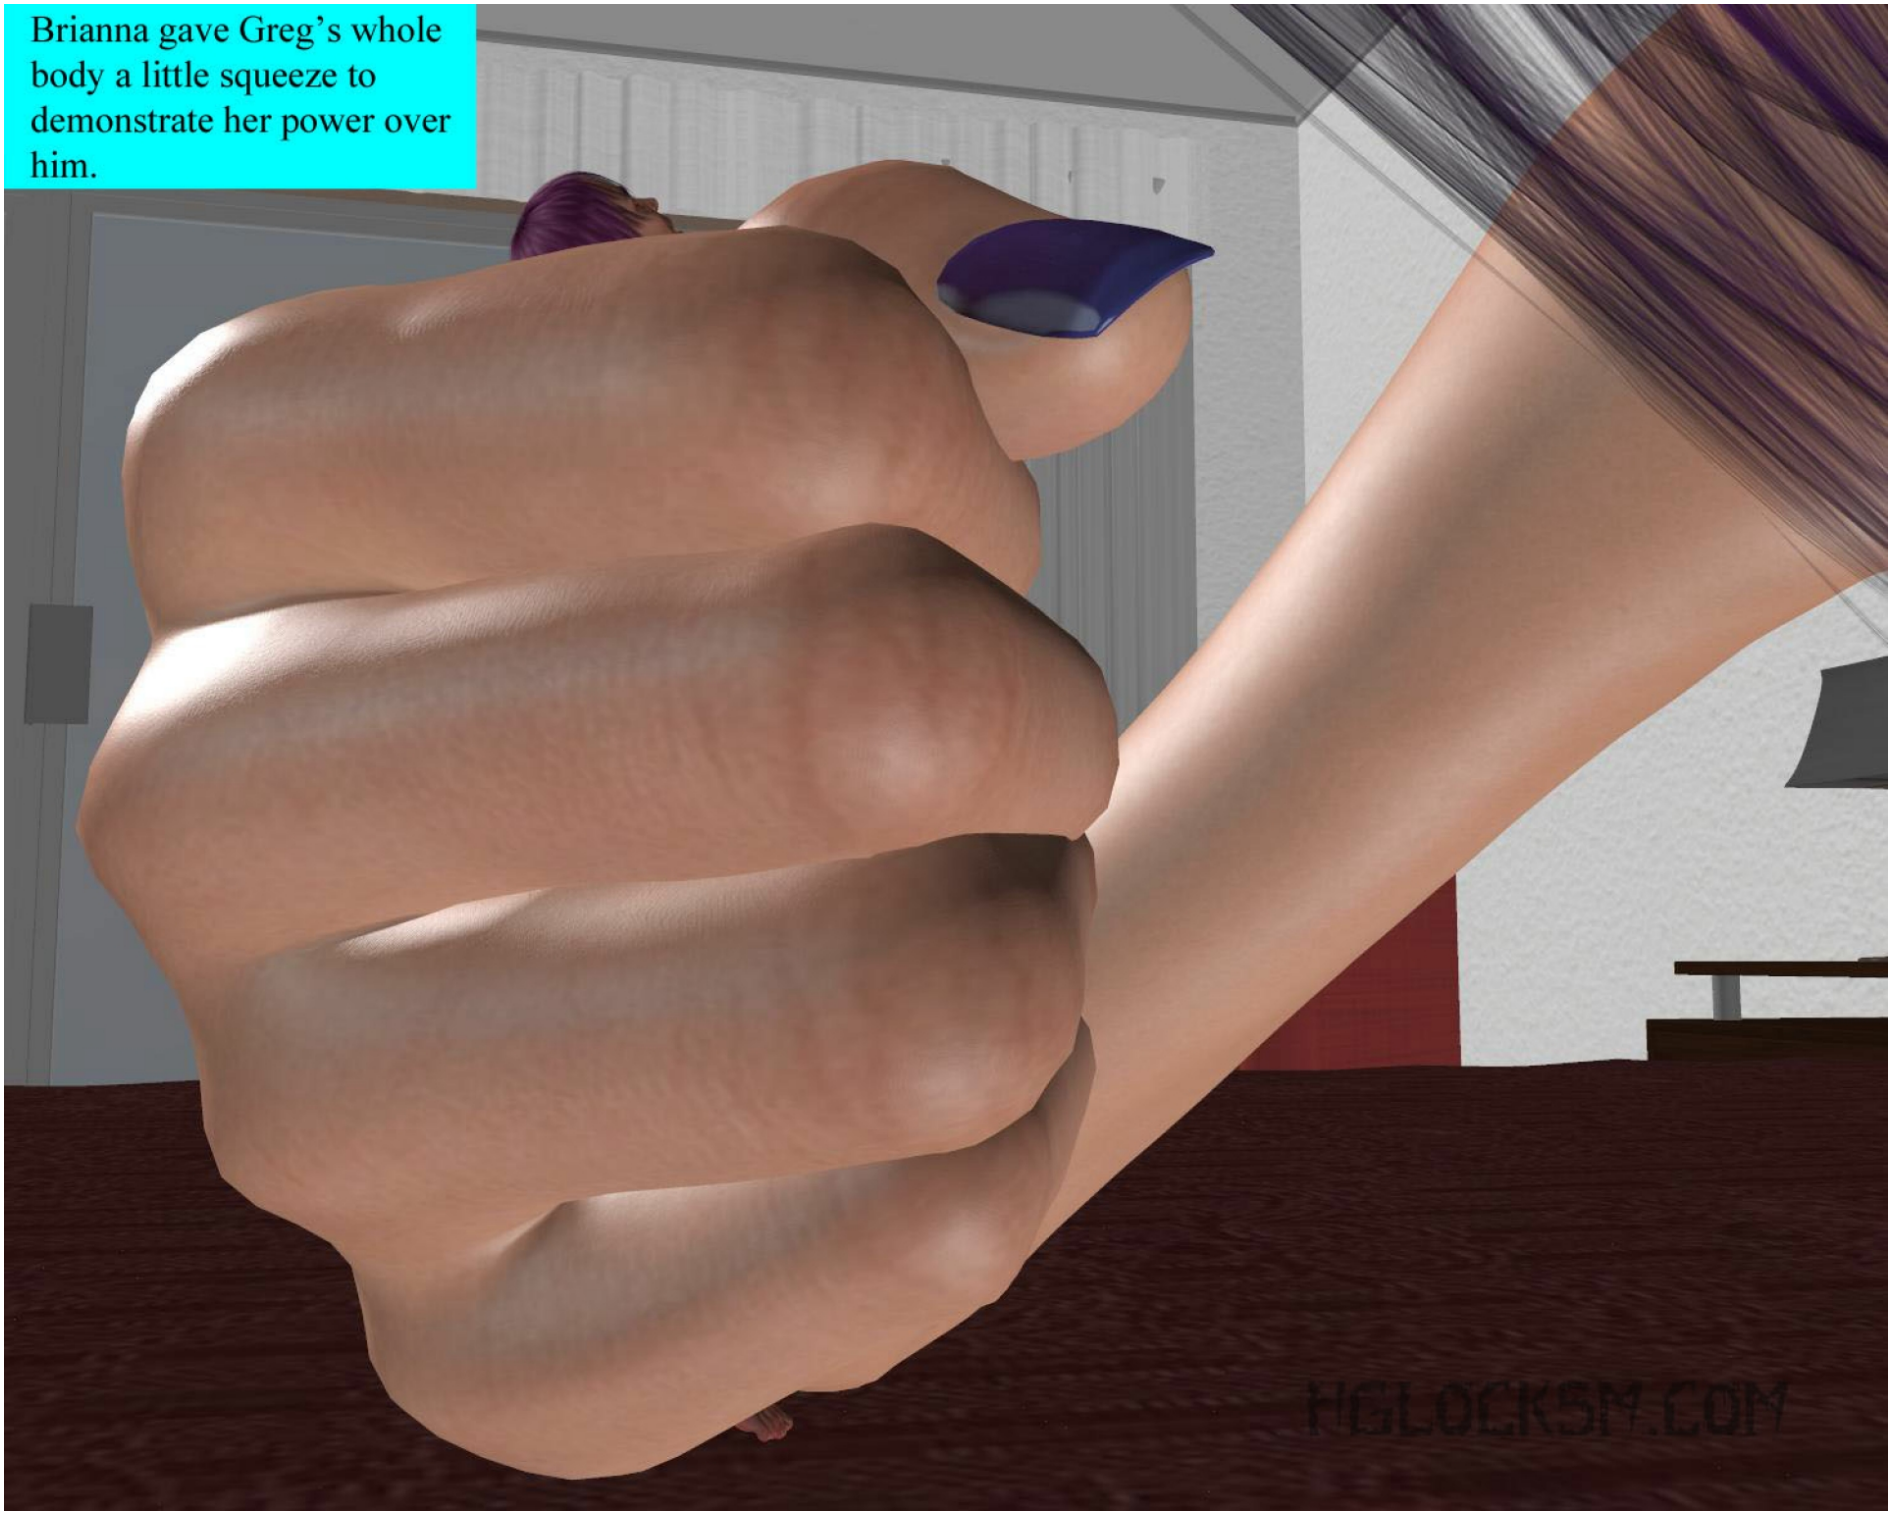
You are just another fuck toy to me. I am never going to make you big again ever. You will live with me as my fuck toy until you die.
HGLOCKSM.COM



Brianna gave Greg's whole body a little squeeze to demonstrate her power over him.
HGLOCKSM.COM

How long you live depends on how long you can keep me from getting bored with you.

You won't get away with this!
HGLOCKSM.COM

Oh really? I have shrank several men before you and have never been caught yet.
HGLOCKSM.COM

HGLOCKSM.COM

Stacy was coming back from a weekend of fun in Las Vegas. She picked up a rich business man there and gotten him drunk. While he was drunk she went to one of those quick marriage chapels with him and got married. Then she brought him back to the hotel and shrank him and made him give her all his bank account information. She now had his car and his money and she was legally his wife and he was stuck in a jar like some kind of pet.

Let me out of here you fucking bitch! You hear me!
HGLOCKSM.COM

I just love your car honey. I can barely wait to see my new house.

You can't just take my stuff like this! I will have you arrested!
HGLOCKSM.COM

Oh really? Just how are you going to do that honey. Face it your my little toy now.
HGLOCKSM.COM

Don’t worry though I am going to keep you alive so you can run your business remotely from the home. I need you to keep brining money in.
HGLOCKSM.COM

HGLOCKSM.COM

Oh yea the shrink ray you made worked great.
Yep I got that little fucker painting my toe nails right now.
HGLOCKSM.COM

Yea he is not too happy about his new size. He got a little mouthy with me when I first shrank him but I showed him who was in charge and now he is the perfect little foot slave.
NGLOCKSM.COM

How did I show him who was in charge? Well that was easy. I just pinned him to the floor under my foot and told him I would crush him if he did not do what I told him. Worked like a charm.
BIGLOCKSM.COM

Yea I shrunk him to about 4 inches tall or so. Not sure exactly. I also had to shrink a paint brush for him so he could paint my nails. The brush in the bottle was too big for him to handle now. How do I make the ray gun make him alittle larger?
HGLOCKSM.COM

What... You mean the process is permanent. That sucks I was hoping to make him a bit bigger so he could do house work for me. I guess I will have to shrink another man for that.
HGLOCKSM.COM

What I am stuck like this forever. That bitch! I hate her.
HGLOCKSM.COM

Yea I got him putting another coat of polish on my toe nails right now. He is doing a great job. I will never have to pay for a pedicure again.
HGLOCKSM.COM

Yea I have to be looking for for my date tonight. This little slave may have a new friend after tonight.

Oh I got a hampster cage to keep him in when I am away from home. No there is no way he can get out of it.
HGLOCKSM.COM

Besides even if he could get free, Whiskers my cat would eat him. I have to be careful and lock Whiskers in another room when I am playing with my lnew pet. Whiskers thinks he is a mouse. Yea it was great talking to you. See you later.
HGLOCKSM.COM

You had better not spill one drop or you know what will happen don't you?
HGLOCKSM.COM

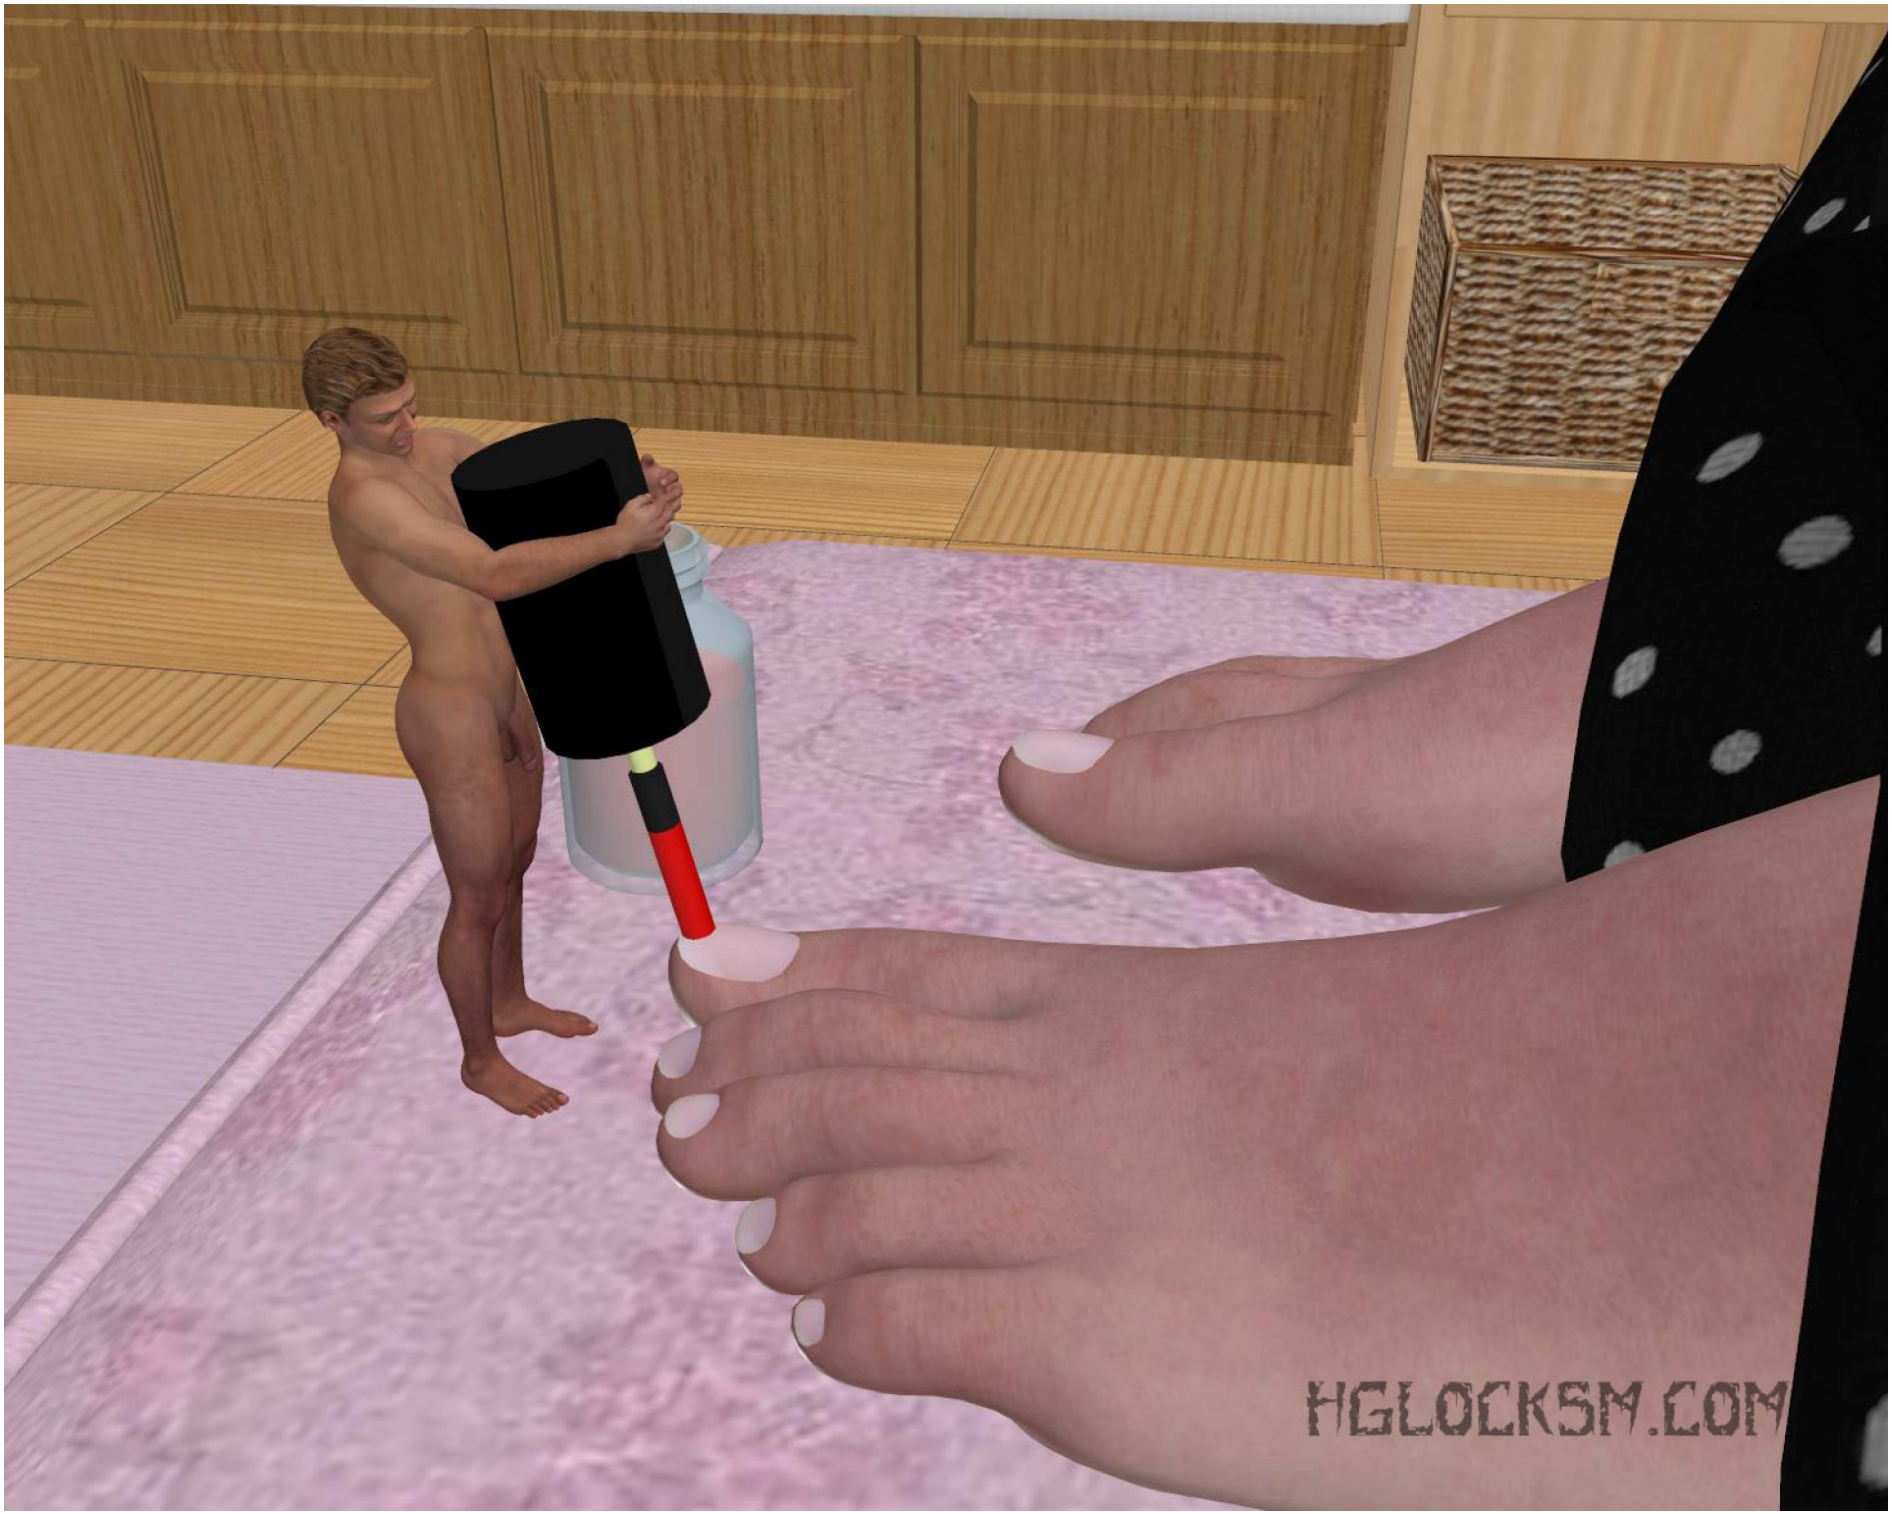
Yes I know. I won't spill I promise.
HGLOCKSM.COM

HGLOCKSM.COM

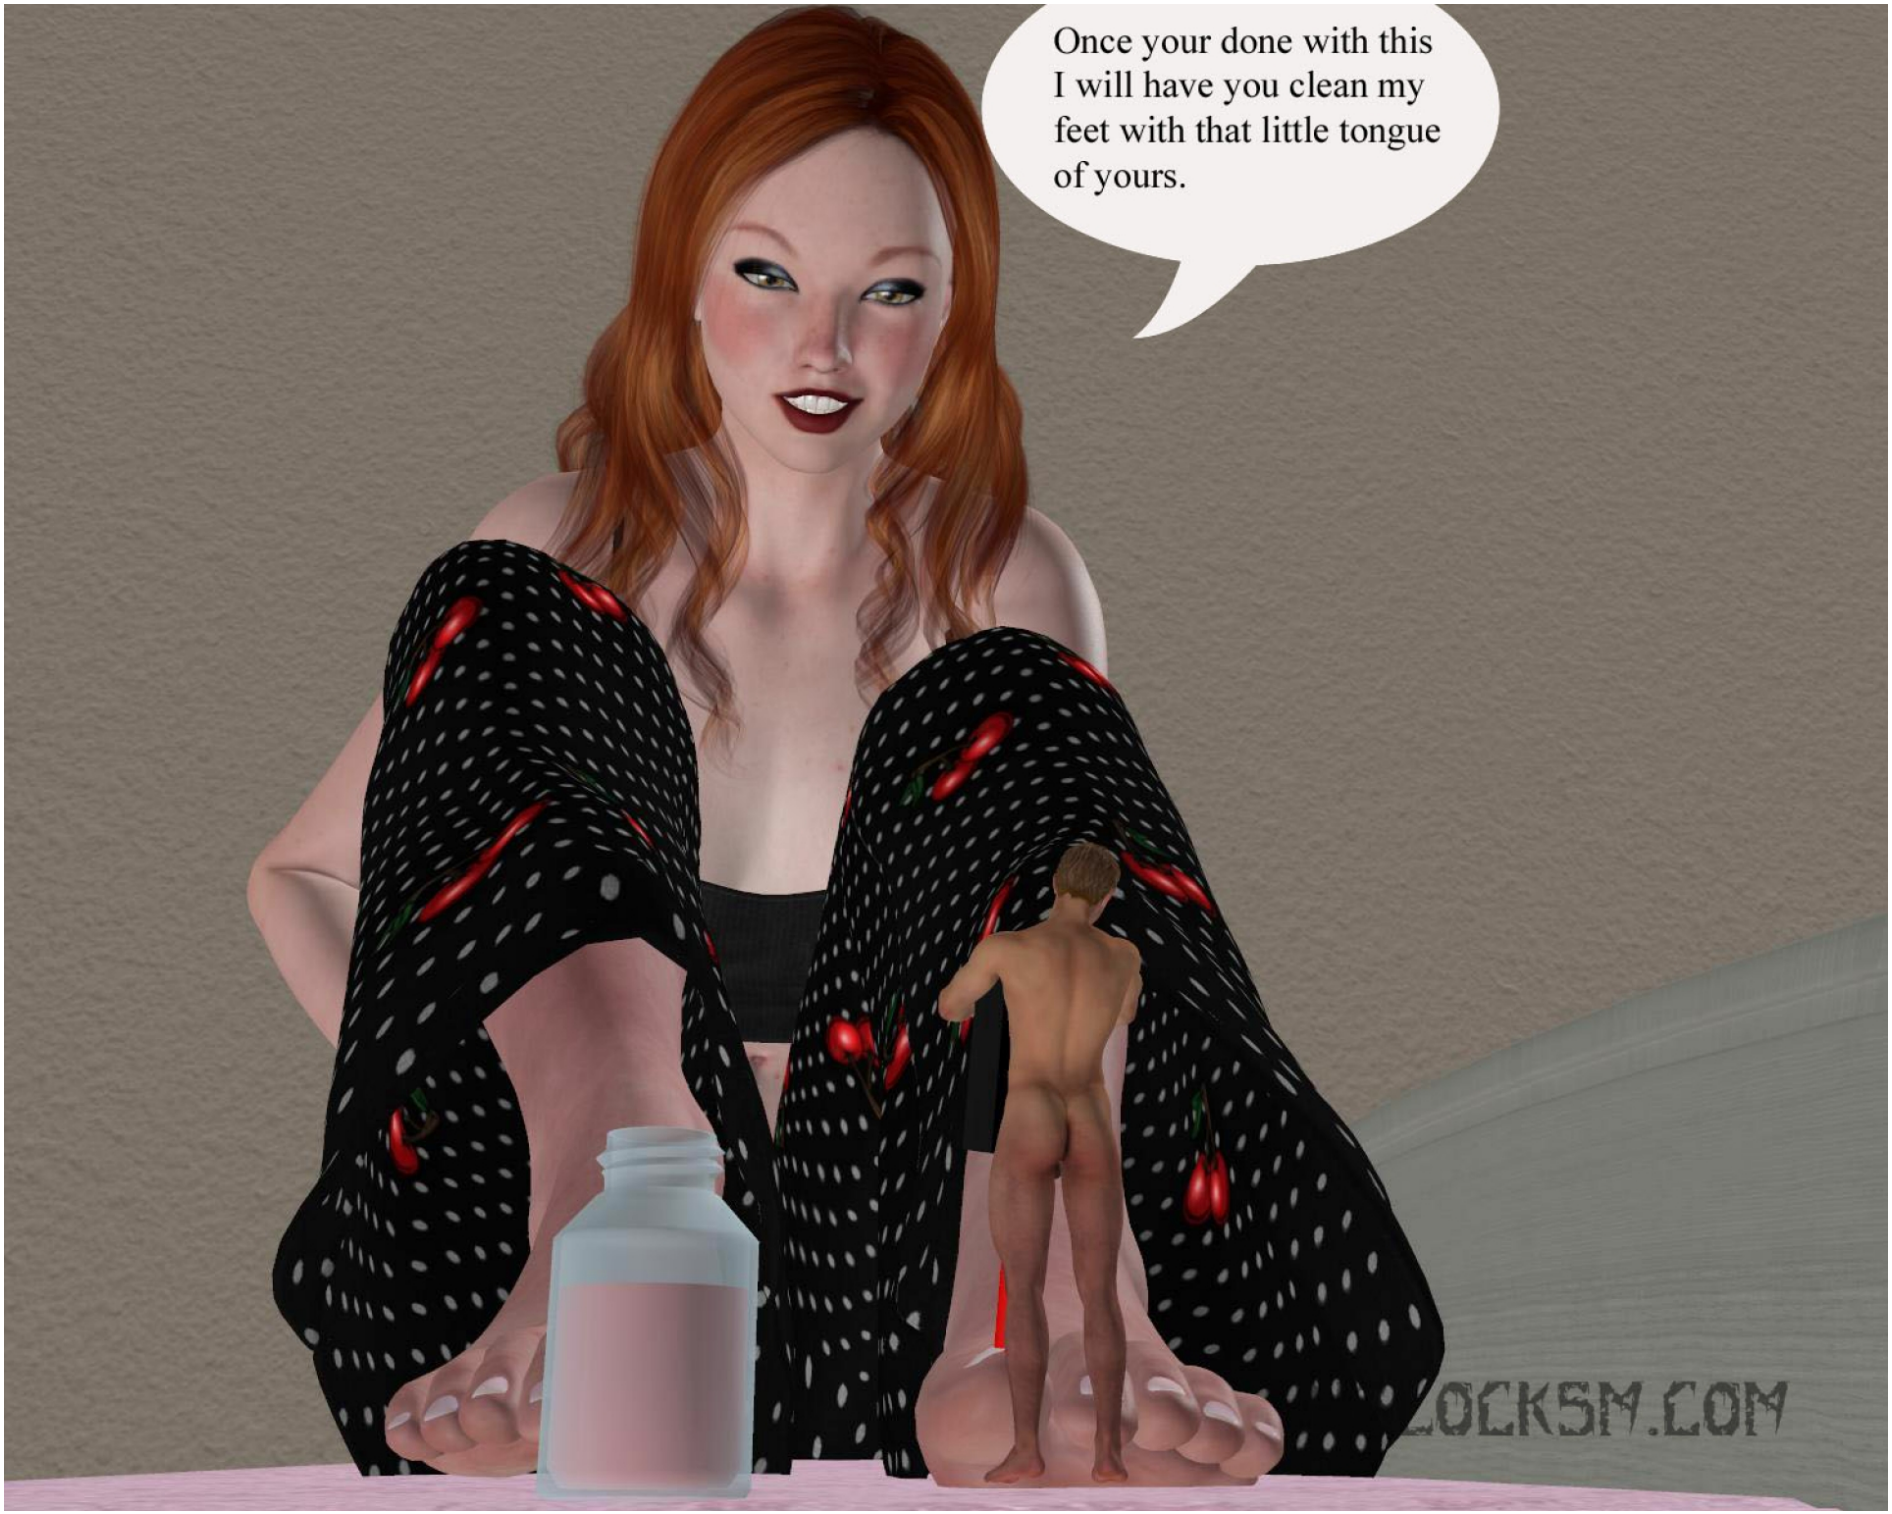
That brush looks a little heavy for you little guy. It must be hard to be so weak and helpless.
HGLOCKSM.COM

Your so puny now. I can do anything I want to you or make you do anything I want.
HGLOCKSM.COM

I must be hard to have to be submissve to your ex-girlfriend. To know you are nothing more than a toy to me now.



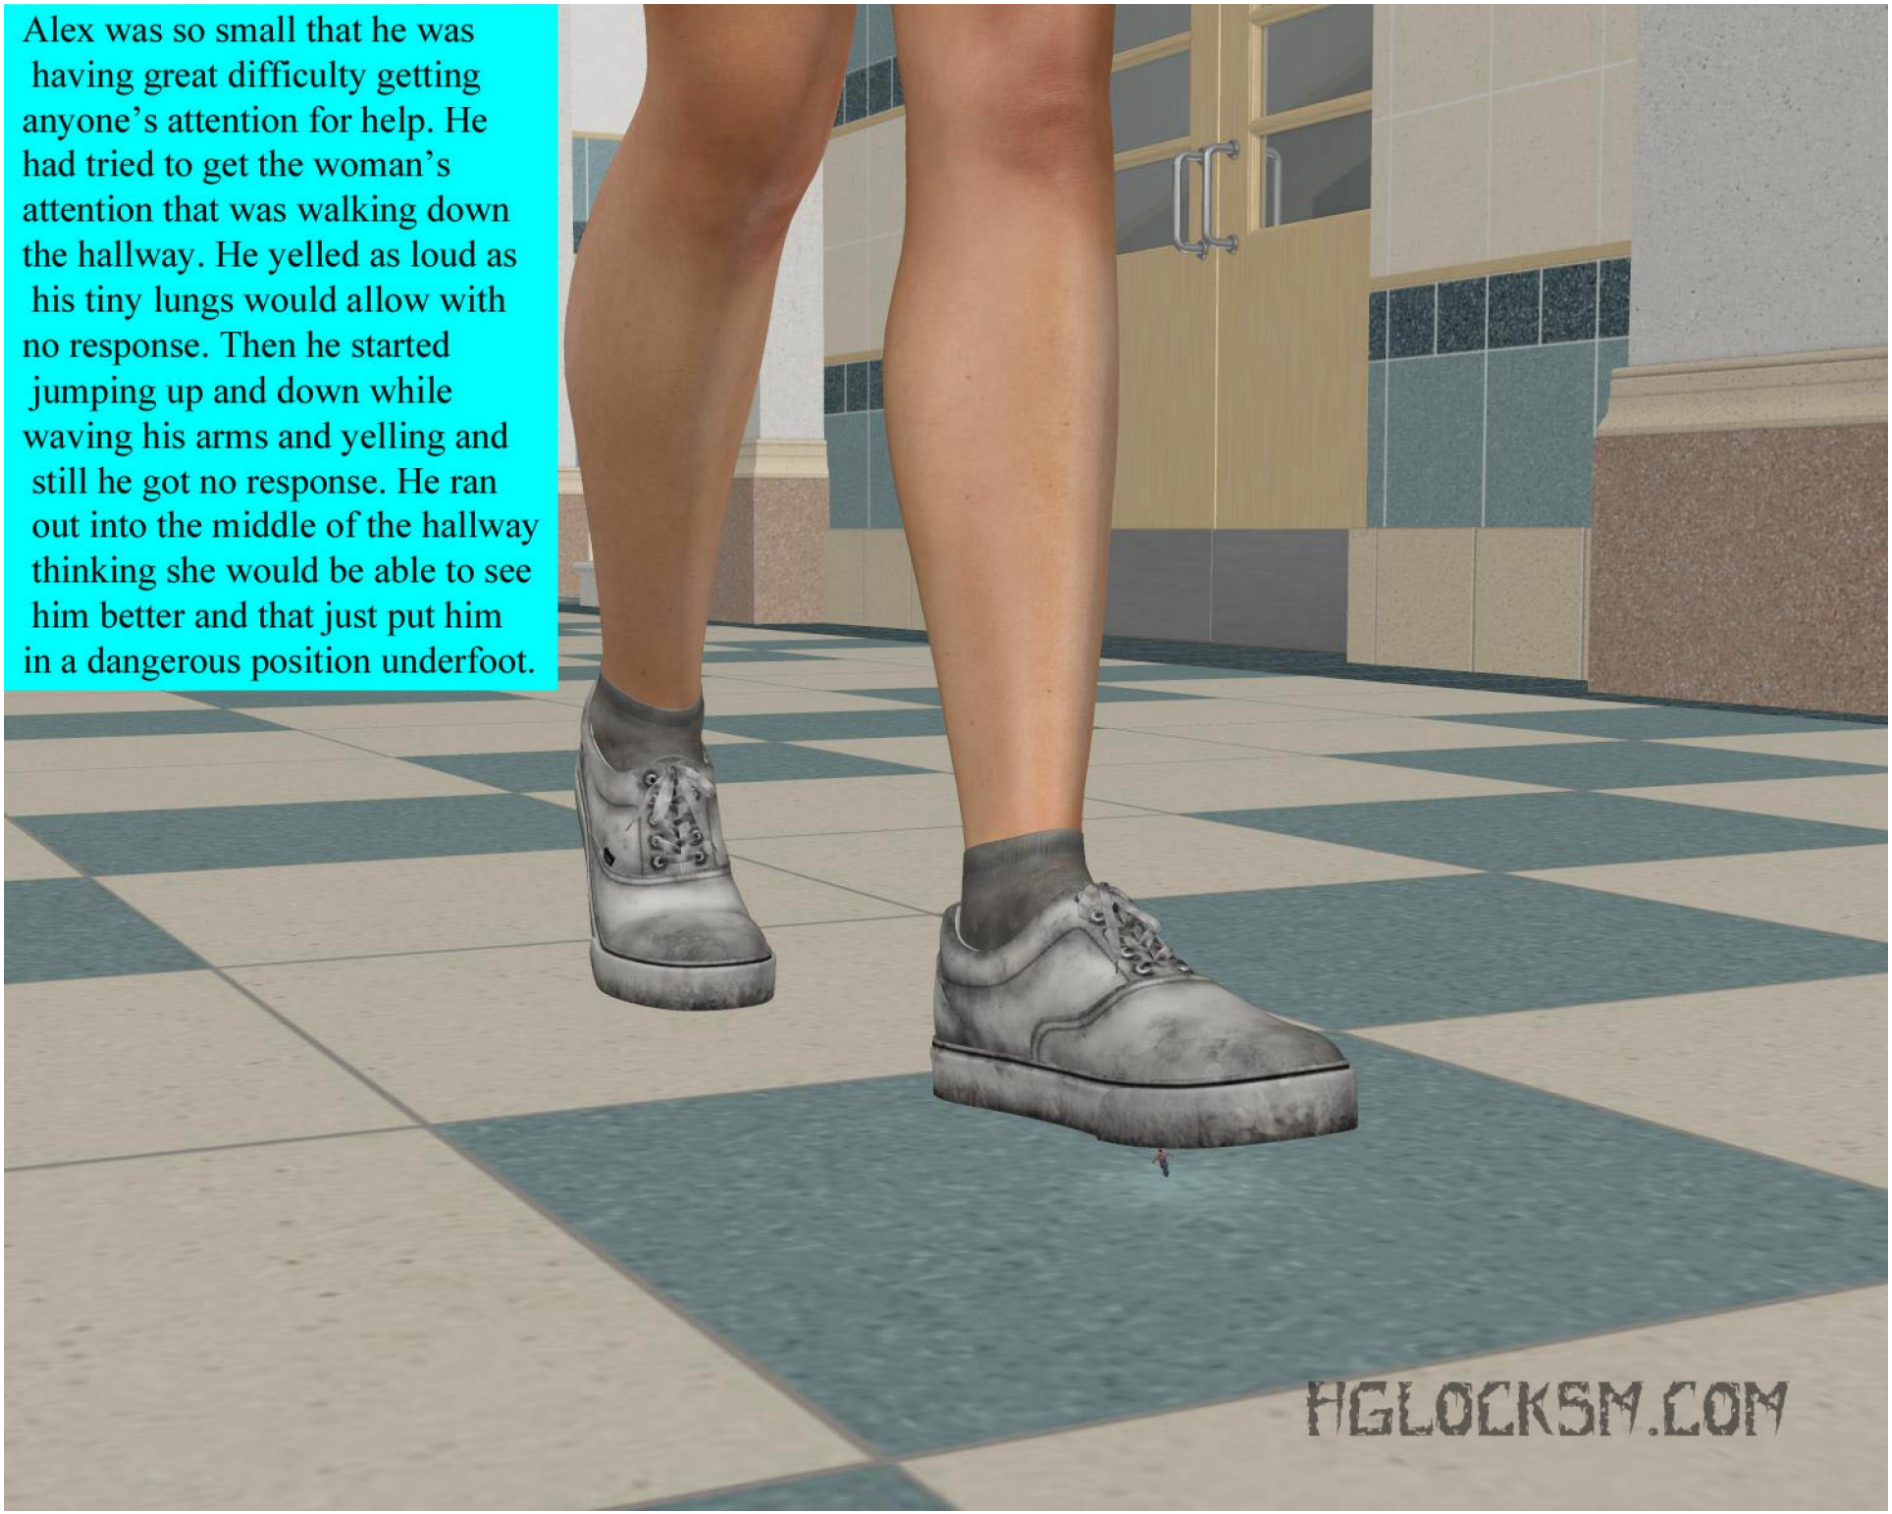
HGLOCKSM.COM



Once your done with this I will have you clean my feet with that little tongue of yours.
LOCKSM.COM

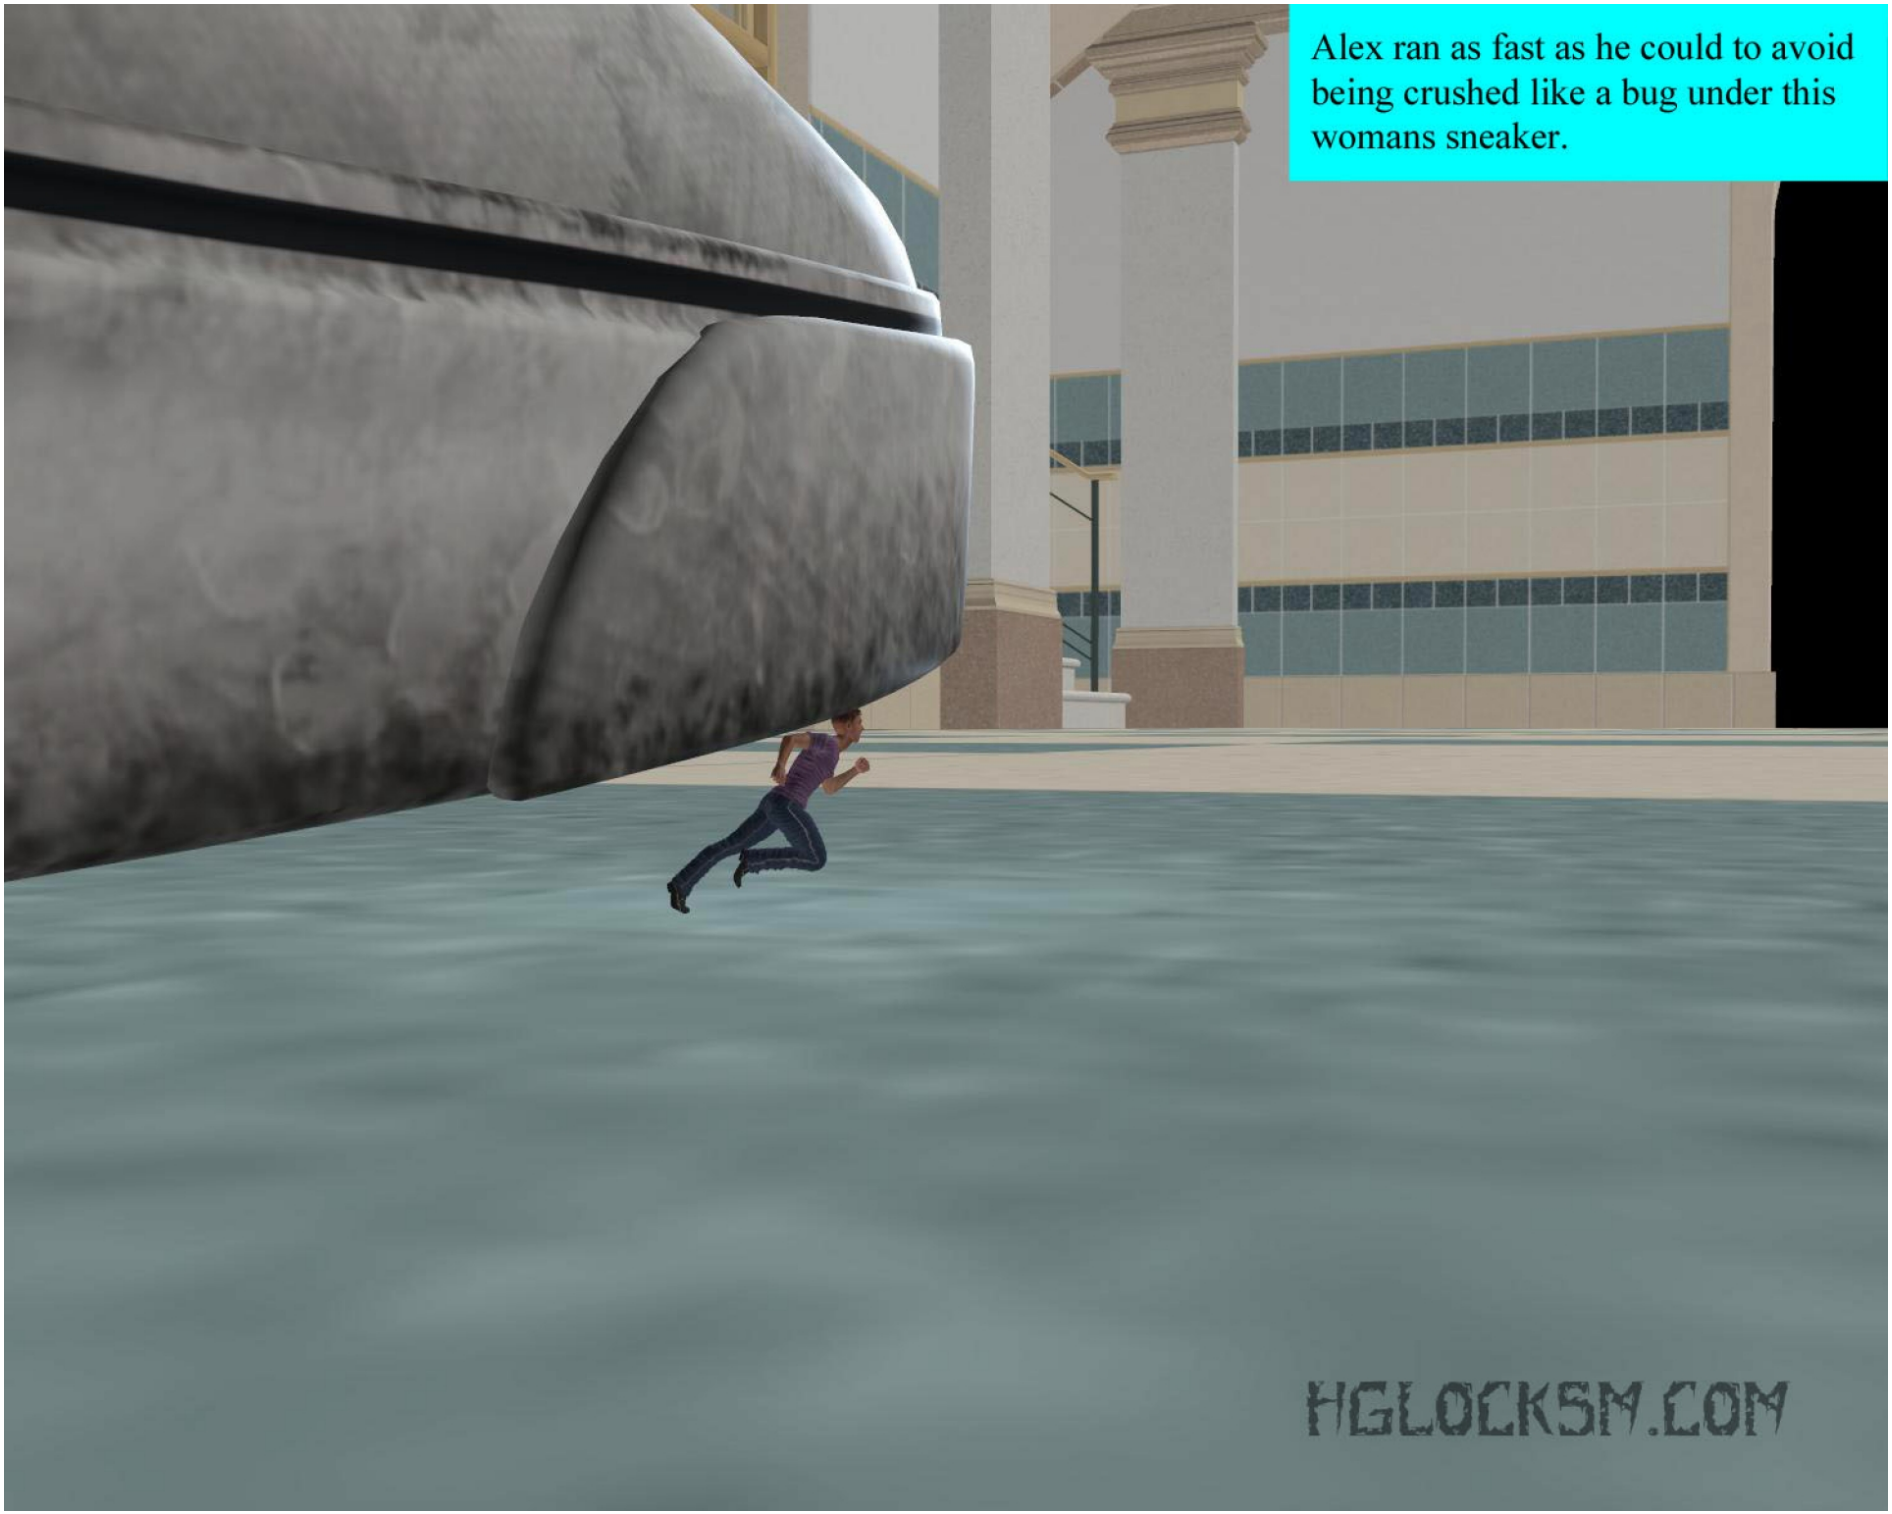
I just love feeling your little tongue on the soles of my feet.
HGLOCKSM.COM

Alex was the victim of a terrible accident in the science lab that shrank him down to the size of an insect.
HGLOCKSM.COM



Alex was so small that he was having great difficulty getting anyone's attention for help. He had tried to get the woman's attention that was walking down the hallway. He yelled as loud as his tiny lungs would allow with no response. Then he started jumping up and down while waving his arms and yelling and still he got no response. He ran out into the middle of the hallway thinking she would be able to see him better and that just put him in a dangerous position underfoot.
HGLOCKSM.COM

HGLOCKSM.COM



Alex ran as fast as he could to avoid being crushed like a bug under this womans sneaker.

HGLOCKSM.COM

The young woman had not seen Alex on the floor. She was thinking about the test in her next class.
HGLOCKSM.COM

Her name was Karen. Alex had seen her before and admired her. But she was not the kind of woman that would give him the time of day. She was way out of his league. He was totally insignificant to her before and not he was even more so.
HGLOCKSM.COM

Alex was too busy to look back and recognize who was about to crush him. To Alex Karen was just another giant monster who could kill him with a simple step.

Kyle was pretty much a nerd who was always working on his inventions. His newest one was a shrink ray. The problem was he accidently shrank himself so he went looking for someone to help him un-shrink himself. Unfortunately for him the first person he found was Laura who was his step sister and she absolutely hated his guts. Now she was in the perfect position to do something about her feelings towards little Kyle.

Laura Laura you have to help me. I shrank myself accidently.
